

QuickView™ Transparent Manual Dispenser

PRODUCT DESCRIPTION

A unique, transparent 1-liter closed, sealed cartridge dispenser that meets the distinct needs of any facility environment. The transparent sides, visible from any angle or distance, allow for accurate soap visibility for cleaning staff. QuickView™ dispensers are quick and easy to refill, easy to service, low maintenance and guaranteed for life.

WHERE TO USE

Suitable for use in any setting with SC Johnson Professional 1 liter manual cartridges.

METHOD OF USE

Large, 'easy-push' buttons dispense a controlled dose of product appropriate for the application required and empty cartridges are easily replaced in seconds.

FEATURES	BENEFITS
Transparent Sides	Addition of transparent sides allow users to clearly see soap levels without having to open the cover, cutting down on maintenance time and costs.
Robust and Long-Life	Quickview™ dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care. QuickView™ dispensers are warranted for their lifetime. Warranty applies only in the USA and to dispensers exclusively using SC Johnson Professional products. Other terms and conditions apply: warranty.scjp.com .
Robust Design	All SC Johnson Professional dispensers are manufactured from durable plastic components and rigorously tested for high usage environments, providing assurance of quality and longevity.
BioCote® Protected 	Dispenser push buttons are protected by BioCote®, a silver ion-based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and molds; BioCote® does not rub-off and is effective for the lifetime of the dispenser.
Large Push Buttons	Minimize the operation force required to allow easy use by hand or elbow; suitable in hygiene sensitive areas.
Fixed Product Dose	Delivers the exact amount required, controlling usage and reducing waste.
Unique Locking Mechanism	Helps prevent unauthorized access, pilferage and product contamination.
Simple Cartridge Replacement	Designed for exclusive use with SC Johnson Professional skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
Hygienic, Airless Cartridges	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
No Wastage	The air-tight cartridges are designed to collapse during use ensuring full evacuation of product with no wastage.

QuickView™ Transparent Manual Dispenser

LIFETIME WARRANTY

SCJ Professional QuickView™ Transparent Dispensers are warranted for their lifetime to be free from defects in materials and workmanship under normal use or the original purchasing end customer may be eligible to receive a free replacement dispenser or part(s). Warranty applies only to dispensers installed in the end customer's facility that are exclusively using SC Johnson Professional products. Warranty does not cover dispensers purchased from unauthorized distributors. End customers must register the dispensers. Other terms and conditions apply and eligibility is subject to verification. For the full terms and conditions visit warranty.scjp.com.

Warranty provided by SC Johnson Professional USA, Inc. ("SCJP"), 2815 Coliseum Centre Dr. #600, Charlotte, NC 28217, United States of America. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Our liability shall not exceed the actual amount paid for the dispenser. We shall not be liable for any consequential, incidental, special, or punitive damages. End customers are deemed to have accepted the above warranty and limitation of liability. They cannot be changed verbally or in writing, except in a written agreement signed by SCJP.
